Student Safety

Our hearts and our thoughts I'm sure are with the families of Banksia road Public School this week. Such a tragic loss, and as a school and a community we send our heartfelt condolences.

A reminder to all parents that our car park gates are locked at 8.30am each day and unlocked at 2.50pm. The top car park pedestrian gate is open until 9.30am and opened again at 2.50pm. The main gates are open until 9.30am, after this time parents need to use the button to buzz the office. The main gates re-open at 2.45pm. The lower carpark gates should not be used by parents under any circumstances. We thank you for your support.

Remembrance Day Service

Australian peacekeepers have been in the field continuously since 1947, serving in more than fifty multinational operations over the past seventy years. Lest we forget.

On Friday at 2.20pm our school captains will lead our school Remembrance Day service. Parents and community members are warmly invited to attend.

On Saturday, on the 11th hour of the 11th day of the 11th month, our school leaders will represent our school at the Remembrance Day service at the Maroubra RSL Sub Branch, on Anzac Pde Maroubra Junction. Students and community members are also invited.

Aboriginal Families Afternoon Tea

Thankyou to our aboriginal families and staff that came to our recent afternoon tea in the school library. It was great to chat about what is important to our community. We have decided to continue these meetings each term, so look out for the next one in term one 2018. Connecting with our local community and building on relationships was the key message to come out of our first meeting.

School Directions 2018—2020—LAST CHANCE

Thankyou to those parents that have attended our parent focus groups recently. Please remember there is also an online survey for parents to have their say. Please access the survey at

General Information

Ben Chifley Art Competition

At the end of Term 3 and beginning of Term 4, some of our students took part in the 2017 Ben Chifley Art Competition. The theme of the competition was the same as this year's book week theme 'Escape to Everywhere.' We had some fantastic entries from our students at The Bay and after being judged by a number of external judges, we were very pleased that two of our students, Zeke J (1H) and Zan M (1/2B) both received a Highly Commended award for their entries in the Stage 1 division. The boys attended a special awards assembly at Chifley Public School to receive their certificates. Well done boys!

Fun Day Information

By Luca & Luisa

It's time to get excited for Fun Day. On the 23 of November there will a Mini Fete in the school. Year 6, with a little help from Year 5, have been working on this for the whole term so we have planned out the most fun things ever. It's one of the most exciting times of the year! There's something for everyone including sporty things, art things and singing things!! More information will be provided in week 6. So come along on Thursday in week 7.

Soccer cream:

Soccer Cream is about shooting goals and then once you shoot an amount of goals and get them in, you get to throw a pie made of shaving cream into Luca Crome's or Xavier Monroe's face. It is great fun and you will get a kick out of it. The soccer goals will be quite easy to get it in so you will probably get the satisfaction to throw a pie into someone's face. Only 2 tickets for 4 shots in the goal!

The RAD group:

The RAD group is a group where you can get your face painted by some of the best, if not the best painters in this school. With plenty of cool and awesome designs to chose from, you are sure to have a very pretty and/or cool design in the end. There is also a jelly bean competition at the same site so why not enter for your chance to win a whole jar of jelly beans. 1 ticket for each guess in the jelly bean competition and 2 tickets for a small design in face paint.

DS productions:

DS productions is the one and only slime station! If you are one of those people who don't like getting hands dirty, you can just buy slime that's already been made. You buy it, but if you like getting messy, make your very own slime with different colours to chose from. Fun for everyone! 4 tickets to buy slime and 6 tickets to make slime (extra tickets for add-ons).

Sponge Day Fun Day:

Sponge Day Fun Day is about getting your revenge on your teachers by throwing wet sponges at their faces. The price will be 2 tickets for 2 throws or 3 tickets for 4 throws. If you get 3 throws that hit any teacher's face, you will get 2 tickets back!! Just make sure you suck up to them later. We also have a fantastic raffle prize full of toys. So if you don't spend all your tickets, you could win this spectacular gift.

C'n' C:

C'n' C is the unlimited baby photo guessing competition with Year 6's and teachers photos from when they were little munchkins. Look to see how much they have changed for only 2 tickets! Also, at the same stall there is ice-cream! And not just any old ice-cream, there is choc tops for sale for only 4 tickets! So no dessert for you that night!

The Maze!

Always liked a challenge? This is for you as this maze is the ultimate maze with a giant panda running around! The super challenge for anyone! Can you make it out of the maze? Find out for only 1 ticket. If you make it out of the maze before the giant panda gets you, there will be prizes!!!

Throwing Comp:

Are you great at throwing balls at a target? Then I guess you'll love this stall. Throwing Comp is about your skill to throw tennis balls into hoops and gain prizes that will blow your mind. For only 2 tickets you can start throwing to win. You will love this stall as it will get your throwing skills up, and is so easy to get a prize. But wait, there's more, if you get the bonus hoop which is further, you get a special prize.

Gummybear dice:

This stall is the one and only dice game. You win gummy bears by just standing on a number! This game consists of just picking a number to stand on. When a dice is rolled and then whatever number it lands on, the people standing on the number will win a whole pouch of gummy bears. Try your luck for only 1 ticket!

The Bloopers:

Cup pyramids! In The Bloopers you need to build a cup pyramid, the fastest time wins. The winner gets a special prize! You get to beat your mates and rub it in their faces. This is the only stand with cups, so that makes it special. 2 tickets per person.

Mr. Ducks:

If you like basketball this is your style! Only 2 tickets for a whopping 5 shots to win beautifully crafted origami and instructions to make your own origami. This is basketball central and if you're a pro show off your skills and win prizes.

Karaoke Stand:

If singing is your thing this is definitely your time to shine. Whether it is just solo or with your friends there is something for everyone. With lots and lots of songs to choose from. There is definitely something for you to sing your heart out. Why not come down and give it a try! Solo is 1 ticket, 1 duet is 2 tickets and 1 Group 4 tickets.

Musical Egg & Spoon Race

The 2 classics; egg and spoon race and musical statues. You better run fast to beat everyone and win prizes but it's not just speed you need, it is the ability to freeze at any time. 1 ticket per person. So it's really cheap. There are 6 people in the race at a time, so it'll be your turn before you can say spaghetti!!

BBQ

This is run by the teachers so come up and get your sausages!!!! Grilled to perfection and then placed in fresh bread with extra sauce (if you want). That is what I would call an awesome sausage sizzle. Only 4 tickets per sausage. What a deal!

Have fun at the different stalls and then get a professionally cooked sausage. These are even approved by Mr. Ackerman! So they got to be good right? Well why don't you come down and see for yourself!

What's happening in 1H?

Reading Circles

We love reading in 1H. We do reading circles every morning and have been learning how to sound out words as well as comprehension skills like predicting, inferring, comparing, summarising and connecting. We are really enjoying reading our class reader, *George's Marvellous Medicine*! Take a look at us doing fantastic reading...

Writing

This term, 1H have been working hard on writing recounts. We have been learning how to use adverbs and adjectives to make our writing more interesting for the reader. We have been turning 'boring' sentences into exciting sentences. Take a look at some of our amazing work:

The dog sat.

The rainbow dog sat excitedly in the middle of the hot desert.

Brixton

The lion roared.

The scary lion roared loudly at the hot zoo.

Lara

The owl flew.

The colossal owl flew crazily in the deep dark forest.

Rowan

The snake slithered.

The magical python slithered quickly in the middle of the deserted town.

Zeke

Garden

1H have loved spending time in the garden this semester! We have been learning lots of new information and skills about seeds, soil, composting and bird watching.

Applications for 2018 School Student Transport Scheme (SSTS) and Term Bus Pass (TBP) travel entitlements are now open.

In coming days students who hold an SSTS entitlement and are changing grade bands i.e. going from year 2 to 3 or year 6 to 7 and changing school, and students whose entitlement was approved under a medical condition, will receive notification by email or post informing them of the pending expiry of their entitlement. TBP holders will also receive notification.

Students enquiring about pending cancellation should be advised to go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails> to update details/make application for next year's entitlement.

Application needs to be made before 31 December 2017 to ensure their entitlement is updated and their current card is not cancelled. If application is made after the expiry of their entitlement (31 December) the system will automatically cancel their card and a new one will need to be issued.

Please note: Students who are changing grade band and are remaining at the same school will not receive notification and do not need to reapply (the system now automatically validates a student's on-going eligibility if at the same school and going from infants to primary or primary to secondary). Where a student meets the new eligibility the system will automatically update their entitlement and card.

Students in the Opal area applying for a SSTS or TBP entitlement for the first time will receive their card (posted to the nominated address) a week or two before the commencement of 2018 classes. Please let students know new cards for 2018 are not posted in 2017 or during the Christmas / New Year period.

Students residing in Rural and Regional (R&R) areas are expected to receive their new travel pass at the commencement of the New School Year. **Note;** not all R&R operators issue passes (often in smaller communities where the student is known a pass is not issued).

CHESS!!

Learn to be a chess champion! Coaching for students at Maroubra Bay Public School is held on Thursdays from 1:10pm to 1:50pm, starting on 12 October 2017.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
