Principal News

Remembrance Day

Thank you to our students and teachers who attended the Remembrance Day service at Maroubra RSL on Saturday the 11th of November. Our school captains again represented the school with great dignity and pride.

2018 School Captains

This week, our ten nominees for school captains presented their speeches to all of the students in Years 2-6 and staff. Initially

we had 14 students that nominated for these positions, and after round 1 voting in front of students in Years 5 and 6, this was shortened to the top 5 girls and boys. Congratulations to all our candidates, you have done yourselves, your families and your school proud. Results will be announced at our School Presentation Day on Thursday December 7.

Stage 3 Fun Day

Today our senior students hosted the annual fun day. Under beautiful skies it was wonderful to see all students getting involved. This year for the first time, the Year 5 students were the apprentices to Year 6, giving them an insight into how things work. This is a great initiative from Miss Brodsky and Mr Crowther and will definitely help students in the future as well as developing all students leadership skills.

The calendar for term one 2018 is starting to take shape. Please look at the calendar later in this newsletter for important dates next year.

Enjoy your week ahead.

Life in the School Learning Garden

END OF YEAR - Garden Bee

Sunday 17th December 1pm-6pm

Plants grow every day of the year, Come along and help prepare the garden for the summer heat.

Join us for a celebratory evening BBQ and harvest.

(BYO BBQ food)

Learning in the Garden

Gardening requires a lot of patience and Kindy have spent the last three months watching their sunflowers grow from a tiny seed to a 2m flowering ray of sunshine. The sunflowers are even taller than Mr Harty!

Students in year one applied their mathematics skills to estimate the weight of a school grown pumpkin and then discussed what is a fair price for the pumpkin and who receives the money for the pumpkin. The aim of this lesson was to make students aware of how their food gets from the farm to their dinner plate and the important role of farmers.

Garden Bee A huge thank you to all who came along to the Garden Bee on Saturday. It was really great to get some of the big jobs done. As the end of the school year approaches, there is much to do to prepare the garden for the summer holiday heat. Please join us for the final Garden Bee on Sunday 17th December.

Applications for 2018 School Student Transport Scheme (SSTS) and Term Bus Pass (TBP) travel entitlements are now open.

In coming days students who hold an SSTS entitlement and are changing grade bands i.e. going from year 2 to 3 or year 6 to 7 and changing school, and students whose entitlement was approved under a medical condition, will receive notification by email or post informing them of the pending expiry of their entitlement. TBP holders will also receive notification.

Students enquiring about pending cancellation should be advised to go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails> to update details/make application for next year's entitlement.

Application needs to be made before 31 December 2017 to ensure their entitlement is updated and their current card is not cancelled. If application is made after the expiry of their entitlement (31 December) the system will automatically cancel their card and a new one will need to be issued.

Please note: Students who are changing grade band and are remaining at the same school will not receive notification and do not need to reapply (the system now automatically validates a student's on-going eligibility if at the same school and going from infants to primary or primary to secondary). Where a student meets the new eligibility the system will automatically update their entitlement and card.

Students in the Opal area applying for a SSTS or TBP entitlement for the first time will receive their card (posted to the nominated address) a week or two before the commencement of 2018 classes. Please let students know new cards for 2018 are not posted in 2017 or during the Christmas / New Year period.

Students residing in Rural and Regional (R&R) areas are expected to receive their new travel pass at the commencement of the New School Year. **Note;** not all R&R operators issue passes (often in smaller communities where the student is known a pass is not issued).
