Comedy Night

Looking forward to seeing many of our community this Friday night at the M Club for the P&C event, Comedy for a Cause. It sounds like a great night and our thanks to the P&C for organising another awesome event for our school.

If you haven't purchased your ticket, jump on to the website and grab yours now before Friday night.

<http://comedyforacause.net/tc-events/mbps/>

Outdoor Area Survey

Thank you to the many parents, staff and students (Years 4, 5 and 6) who have completed this survey on the long term plans for our outdoor areas at school. If you haven't yet completed this short survey, please follow the link below. The survey closes on Friday night. Thanks.

<https://www.surveymonkey.com/r/MBPSPlayground>

Evacuation Drill

Lockdown / Evacuation Practice at school

Next Tuesday, 5 June at 10.40am we will be holding our first Lockdown and Evacuation practice at school. These are important practices so all students, staff and visitors know what to do in a real emergency and to identify areas that we can improve on.

Firstly, a lockdown will ensure all students are safe in a classroom with doors locked and any blinds drawn. The Principal will check classrooms for security and then give the all clear. At that point, students will evacuate the school and walk sensibly with their teacher to our evacuation point which is located next to the school at Muraborah Reserve. Once rolls are marked, the Principal will give the all clear and students will return to school.

Recess at 11.00am will follow as normal.

Teachers will discuss these procedures with students, however parents are welcome to discuss the importance of these practices with their children as well. Thank you.

The next school newsletter will be Thursday 14 June.

Enjoy your week.

Matthew Ackerman

Principal

Debating News

This fortnight the Debating team have competed twice against both teams representing Gardener's Road Public School. On Monday the 21st of May, we went to Gardener's Road and we were the negative speaking team. We had to oppose the ban of uniforms. It was a close battle with our team including Delano, Scarlett, Luca and Alex. We learned so much from that competition and used the feedback for our next debate, which was held on Monday the 28th of May at Malabar. This time our team consisted of Nyssa, Sofia, Alex and Scarlett. We were on the affirmative side debating that Schools should have 30 minutes of exercise in the morning before the start of school. This was a fun topic! Unfortunately, the negative team was very experienced. We did not win either debates but we learned a lot and look forward to our next debate which is on Thursday against Malabar Public School. Special mentions to Scarlett and Sofia for their outstanding skills in the two previous debates.

Library News

Premier's Reading Challenge

We are well into the Premier's Reading Challenge (PRC). It is fantastic to see so many students involved in the challenge. Remember students in years 3-6 need to record their books they have read online. Teachers of students in K-2 are recording the PRC books read during class and in the library. The challenge closes on Friday 31st August.

Congratulations to Ben C and Finlay C for completing the challenge.

Shopping Bags Needed

If you have any spare shopping bags can you please bring them to the library. They will be given to students who have forgotten their library bags.

Thank you

Dear Parents/ Carers

Office News

We have been receiving a lot of cash payments lately requiring large amounts of change and we often find it difficult to provide the change as we have a limited amount of cash onsite.

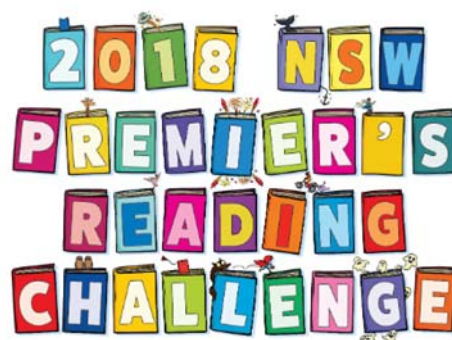

Please ensure that when paying cash that you do so with the correct amount for the event.

Thank you for your assistance in this matter

The Library is getting a new sign thanks to our Artist in Residence, Rose. Look out for it!

Zone Cross Country

Last Friday, 31 Maroubra Bay students attended the 2018 Eastern Suburbs PSSA Zone Cross-Country Carnival at Heffron Oval. We had some remarkable results on the day with 5 students qualifying for the South East Regional Carnival to be held at the notoriously difficult Miranda Park course on Thursday, 14th June. The regional course is a true test of fitness with a mixture of differing surfaces and undulating terrain so it may be a good idea for the below students to hit the Maroubra hills over the next few weeks in preparation for the big day.

Although our regional qualifiers should be congratulated on their outstanding performance, I would also like to say a big thank you to all the Maroubra Bay zone competitors who attended on the day. They represented our school proudly in the spirit of sportsmanship and healthy competition and should be proud of their efforts.

Daniel Crowther

Regional Qualifiers:

Bengt S – 2nd place - 8/9yr boys

Sophie P – 4th place – 8/9yr girls

Lewis N – 5th place – 10yr boys

Vallie H – 6th place - 10yr girls

Tiger-Lilly S – 7th place - 10yr girls.

Soccer Fixtures

1/6/18	Maroubra Bay vs Pagewood	Coral Sea Park 1
8/6/18	Maroubra Bay vs Banksmeadow	Coral Sea Park 1

Netball Fixtures

1/6/18	Maroubra Bay vs Daceyville	Heffron Netball Courts
8/6/18	Maroubra Bay vs Rainbow St	Heffron Netball Courts

Maroubra Bay Athletics Carnival 2018

After the success of last year's Athletics carnival, we will once again be travelling off-site to Hensley Athletic Field for this major event on the sporting calendar on Week 8, Wednesday 20th June. This high class facility allows our students to compete in a more professional sporting environment, using the high quality athletic resources that that this venue has to offer.

Notes will be distributed to the students shortly and must be signed and returned to your child's teacher.

Due to the growing number of students at Maroubra Bay we will be asking for parent help to ensure the smooth running of the carnival. Please complete the parent help section of the permission note when distributed if you are able to help on the day.

Years 3-6 will depart from school at 9:15am and return to school at approximately 2:30pm while K-2 will depart at 10:00am and will hopefully be back at school for lunch.

All K-2 students will compete in amended track events and participate in various novelty activities from 10:20am – 1:00pm. The K-2 carnival is predominantly focused on participation and skill building and all students who enter an event will receive acknowledgement of participation. The infants events will run in conjunction to the primary students in the centre grassed area of the venue.

Those students who finish in the top 3 places of their age group in the primary carnival will represent Maroubra Bay at the Eastern Suburbs Zone carnival on the 17th and 24th August.

More information will be distributed in the coming weeks so stay tuned to the newsletter regarding this event.

Daniel Crowther

Year 6 Fundraiser

"Get Ready, Get Set, Go! It's time to start fundraising for the Year 6 End of Year Celebrations!"

This term's main event is the Cardboard Car Race so save the date, start making your cardboard creations and come along to join in the fun! All Welcome. The event will be held during school hours on 2 July 2018, and there will be races for everyone, even the teachers!

Food and drinks will also be available for sale on the day. See attached poster and entry form for more information."

FOCUS *On Year 3*

A couple of weeks ago Year 3 had their NAPLAN tests. All students did a remarkable job in trying their best and giving it their all.

During that week students were also given a mini project where they had to create their very own business product. In small groups students started creating their products by making diagrams, mini-models and TV or radio advertisements to market their product. Year 3 had an absolute “blast” as they got to explore their creative ideas and present them to the class. It worked on students’ team work, problem solving, communication and decision making skills.

As part of their business project students had to think about ways in which they would finance their business. Parents, in case you were wondering, most of our students said that their parents would pay for the whole thing! Some of the products that our students created were the ‘Robot Warrior’, ‘Aircon Shoe’, ‘Yelco Pencil Sucker’ and the ‘GumBit’.

All students thoroughly enjoyed this mini project and were highly engaged. Miss Hemingway and Ms Hatz had a great time working with students, listening to all the amazing ideas that came out of this mini project. Look out - we may have some entrepreneurs on the way!

Unleash your child's imagination these school holidays!

More than 35,000 Australian Kids have loved Code Camp

Sponsored by

Powered by

Camps we offer at Code Camp

Little League

Ages 5-6

2 days of fun where our littlest coders make the first small, but important steps to becoming creators of technology, not just consumers.

Spark

Ages 7-12

3-4 days of creativity, design, fun and coding. Our most popular Code Camp where every child aged 7 and above starts their journey and builds their very own downloadable app!

Ignite

Ages 7-12

Ignite is for those who have conquered Code Camp Spark or who already have a lot of coding experience. Build your own top-down adventure game with heaps of mini-games and fun features!

Blast 3D

Ages 8-13

Your child will immerse themselves in a 3D world of their creation! Our most advanced camp is designed for those who have completed Spark & Ignite and are ready to take on the world of JavaScript.

Education

Drama Develops Kids

For the past 30 years our self-development drama programme has been helping children (5-17 years) with their creativity, confidence and communication skills. Using fun, creative & educational activities our classes cover speech & language development, improvisations, mime, scripts, drama games, dress ups & lots more fun stuff.

CHESS!!

Learn to be a chess champion! Coaching for students at Maroubra Bay Public School is held on Thursdays from 1:10pm to 1:50pm, starting on 3 May 2018.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
