Newsletter T2 W9

Thursday 28 June, 2018

Term 3 ahead

As I indicated to the students at Assembly this week, I will be on leave next week going into the school holidays. I am taking my son away for a camping trip into the Simpson Desert, Northern Territory. As much as I am looking forward to this trip, I am disappointed to be missing the Cardboard races, Primary student history presentations, P&C meeting and NAIDOC week celebrations. These all sound like amazing events and I hope everyone gets behind them and supports them all.

End of Term Activities

There is lots of information in this newsletter about these events, and we would love to see our community support them where you can. Please note there is no K-6 assembly next week.

Friday 29/6—K-2 Sports Carnival 9.15—11.00 on school oval

Monday 2/7—Mufti Day for all students (gold coin donation)

- Cardboard Races (Year 6 fundraiser on school oval)

Tuesday 3/7—Year 3 and 4 History Presentations @ 2pm

Wednesday 4/7—4D Bikewise excursion

- Student Reports sent home

- P&C Meeting 6.30pm

Thursday 5/7—NAIDOC Week activities

Friday 6/7—PSSA

- Last Day Term 2

Student Reports

All student reports will be sent home on Wednesday 4/7. After reading all 365 of our student's reports, a big well done to all our students. It is very pleasing to see students having goals and working hard towards them. Thanks must go to our hardworking teachers for putting together such an impressive and professional document. Our teachers really know their students and this is evident when reading the reports. Please take the time to read them and teachers are happy to answer any questions or concerns you have about them.

CareMonkey

Thanks to everyone who has returned their updated forms for CareMonkey. In week one next term you will receive an email from CareMonkey with instructions on setting up the free account. The school will start using this system in term 3.

The next school newsletter will be Thursday 26 July.

School returns for all students on TUESDAY 24 July, 2018.

Enjoy your week and your holidays.

Ballroom Dancing Update

Each week students from Year 1 have been building a fabulous dance routine to "Boogie Woogie Bugle Boy". The Dance Spectacular Concert is coming up and for these young dancers the jive is just one of the fun dance styles they will be learning and performing for their parents. It's fast paced so students have to be quick on their feet. One of the key focus points we have been working on is partnering skills. It is amazing to see how these students are showing respect to their partners, developing their partnership skills to work together as a team.

Each step of the way the students are blossoming with confidence and are so excited to be concentrating on the showcase performance. This is the first year that Maroubra Bay Public School has moved its concert to the UNSW Science theatre and we are all very excited about the event.

Stay tuned as all information regarding the Dance Spectacular Concert will be available next term in the school newsletter. Tickets will go on sale during the first week of Term 3.

BECAUSE OF HER, WE CAN!

8-15 JULY 2018

MBPS Cardboard Car Race

When: Monday 2nd July; 11:20am – 1:00pm

Where: School Oval

NAIDOC Week At the Bay

NAIDOC week celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC originally stood for 'National Aborigines and Islanders Day Observance Committee', the committee responsible for organising national activities during NAIDOC Week. Its acronym has now become the name of the week.

NAIDOC is not just a celebration for Indigenous communities but for all Australians. The week is an opportunity to participate in a range of activities and to support the local Aboriginal and Torres Strait Islander community. Each year, a theme is chosen for the week to reflect the important issues and events for NAIDOC.

The 2018 National NAIDOC Theme is "Because of Her, We Can!"

It highlights the invaluable contributions that Aboriginal women have made and the active and significant roles they play at all levels of society. The motto celebrates their achievements, their voice, and their unwavering passion which give strength and have empowered past generations and paved the way for generations to come.

On Thursday July the 5th 2018 Maroubra Bay Public School will be celebrating NAIDOC week with a day of performances, talks and hands on activities. Students will be immersed in the cultures that make this week so special. As part of the day the students will participate in one to two of the following activities:

- Johnny Cake making
- Shell Art
- Rites of Passage hand print activity
- Indigenous Head Band Making
- Boomerang Art
- Dance Performance
- Motivational Talk by Roosters football club
- Indigenous based in class English Activities.

Maroubra Bay PS students will be competing in a race unlike any other!!!!!!

All students been asked to create a car, out of cardboard so that they can race against their classmates. For our talented and very creative students a super fast and fancy may be the preferred model. For those students wanting to have great fun a box with some pictures or designs will be an excellent vehicle to race in.

Do not miss the teacher's race at 11:20am, on the school oval. What an exciting way to open the MBPS car racing event!!!!!!

Following this event, class by class will compete from Year 6 to Kindergarten. For each race a prize will be awarded for the fastest and fanciest car. Families are also invited to participate and compete in a family and toddlers race at the end of the class races. This amazing event will be concluded with the winners parade.

A sausage sizzle has been organised by the Year 6 parents, which will also include gluten free and vegetarian options for purchase on the day. All proceeds raised will go towards the year 6 graduation. Your support is much appreciated. Year 6 students are looking forward to seeing our whole school community coming together to support their fundraising efforts.

2018 Multicultural Perspectives Public Speaking Competition

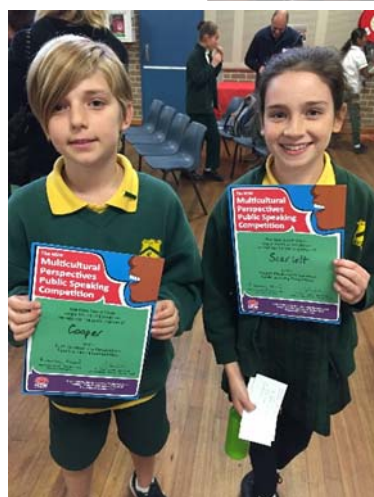

The Multicultural Perspectives Public Speaking Competition is open to all NSW government primary schools. It encourages primary school students to explore ideas of multiculturalism in Australia and gives them a place to practice their public speaking skills and improve their confidence.

On Tuesday 26th June, Otis and Nica from Stage 2 and Scarlett and Cooper from Stage 3, proudly represented Maroubra Bay Public School in the local final of the Multicultural Perspectives Public Speaking Competition. The local final was held at Coogee Public School and all four students did an amazing job at presenting their prepared speeches as well as an impromptu speech given to them on the day.

We are delighted with the effort of all four students and thrilled to announce that Nica T was named the overall winner of the Stage 2 final.

Nica will go through to the next round, the Regional final, which will be held in August. We wish Nica luck as she prepares for the Regional Final in Term 3.

Miss Hemingway

Stage 2 BikeWise

This Term, years 3 and 4 have enjoyed an excursion to the Sydney Park Cycling Centre, where they learnt all about cycling safety and good citizenship when riding. It was great to see the students actively involved as they learnt how to be a safe rider and also a safe pedestrian.

Shopping Bags

Thank you to those people who have donated their spare shopping bags to the library. They have been given to students who have forgotten their library bags. If you have any spare bags at home can you please bring them in.

Premier's Reading Challenge

It is fantastic to see so many students participating in the Premier's Reading Challenge. Remember students in years 3-6 need to record their books they have read online. If you have any questions about the Premier's Reading Challenge please see Mrs Cassimatis. Congratulations to Otis C in 3H for completing the challenge.

2018 Athletics Carnival

What amazing day we 3 – 6 students had at the 2018 Athletics Carnival last Wednesday! Apart from an almighty downpour at the final stages of the day, the weather held off so that we could complete most of the events for our busiest carnival on the calendar. A huge thankyou the Maroubra Bay parent helpers and staff that assisted in the smooth running of the carnival throughout the day. It could not have been done without your support and hard work.

For those students who finished in the top two (top three for 100m) for their events, we wish you the best of luck at the zone carnival next term. Notes will be distributed to successful students early next term.

Please see below for all the results on the day.

Mr Crowther

Netball Sports Report

We had a brilliant day at netball last Friday. Unfortunately, the Junior A netball team lost against South Coogee Blue with a total score of 8 – 13, while our Junior B netball team drew their game 3 – 3 in a hard fought game. The girls of the match this week were Aleena for the Junior A's and Zoe for the Junior B's. Well done girls!

FOCUS On 5/6B

This term Stage 3 have been working hard to improve their literacy and numeracy skills. Here are some of the exciting activities 5/6B have been working on this term.

Literacy Groups

This term, the Stage 3 classroom have started Literacy Groups, where we have eight different activities involving reading, writing, punctuation, editing, spelling and handwriting. There has been a vast improvement in our learning this term, as everyone is focused and staying on task. In Literacy Groups, we have also started with something called the "Maroubra Bay Mountain." All students have been given a goal according to their writing abilities. Some need to polish up their handwriting, whilst others need to work on grammar and punctuation. Every day, we show our teachers when and how we think we have achieved our goal. If they agree, we get to move up on the mountain. There are 5 different levels, so we need to make sure we complete our goal four times. Once we have reached Expert Climber, we get a new goal! This is to help us improve on our writing skills, and so far, it's working!!!

Written by Arielle G

Mathematics

In mathematics we have three groups that are based on the different levels of ability in our classroom. All groups get taught the same things but just in different ways and in different times. In Miss Brodsky's group we are competing in the Maths Olympiad. This is a competition across Australia and New Zealand, where we must solve five challenging problems. We also have been competing in the Number Crunchers, which is a test of 20 questions that you have 10 minutes to answer. The top two students will compete against a number of other schools in Maroubra Junction Public School next term. The Number Crunchers also has a Rubiks Cube challenge where you must order a Rubiks cube in the fastest time and a Pi competition where you need to recite the decimals places of pi. It has been an exciting term of mathematics.

Written by Alex D

The Cardboard Car Race

In week 10, Maroubra Bay will be having a fundraiser for the year six graduation. This fun event is the Cardboard Car Race, children and parents will create a car for themselves, and as a class the students will bring to life a stunning creation for their teachers to wear. 5/6B have a super cool dragon design (that will 100% win the best dressed prize) for Miss Brodsky. The class created a number of ideas and Kiara A and Lily's dragon was the design Miss Brodsky was most excited about. Everyone in our class is getting involved in creating this car and we can't wait to see the final product. We can't wait to see everyone's exciting car designs and hope that everyone has the best time. A big thanks to all the students who are helping with their teachers' cardboard cars!

Unleash your child's imagination these school holidays!

More than 35,000 Australian Kids have loved Code Camp

Sponsored by  Powered by 

Camps we offer at Code Camp

Little League

Ages 5-6

2 days of fun where our littlest coders make the first small, but important steps to becoming creators of technology, not just consumers.

Spark

Ages 7-12

3-4 days of creativity, design, fun and coding. Our most popular Code Camp where every child aged 7 and above starts their journey and builds their very own downloadable app!

Ignite

Ages 7-12

Ignite is for those who have conquered Code Camp Spark or who already have a lot of coding experience. Build your own top-down adventure game with heaps of mini-games and fun features!

Blast 3D

Ages 8-13

Your child will immerse themselves in a 3D world of their creation! Our most advanced camp is designed for those who have completed Spark & Ignite and are ready to take on the world of JavaScript.

Workshops for parents and carers

June 2018

Managing Sibling Rivalry

Thursday 7 June 2018, 10am-12pm
Hope Uniting Church, 829 Anzac Parade, Maroubra

Speaker from the UNSW Parent Child Research Clinic

Language Development and Bilingualism

Tuesday 19 June 2018, 10am-12pm

Matraville Public School,
310 Bunnerong Road, Matraville

Speaker: Speech pathologist
from Sydney Children's Hospital

Do you speak a language other than English at home?
Speaking your home language with your child
can help with their development and improve their
English. This workshop explains why, and what to do.

BOOKING FOR WORKSHOPS IS ESSENTIAL.

Contact us: Phone 9349 8200 or Email familiesworker@jnc.org.

We also run free playgroups, and offer casework support for families.

Enrolling NOW

Drama Develops Kids

For the past 30 years our self-development drama programme has been helping children (5-17 years) with their creativity, confidence and communication skills. Using fun, creative & educational activities our classes cover speech & language development, improvisations, mime, scripts, drama games, dress ups & lots more fun stuff.

SOLD PRIOR

Phillips Pantzer Donnelley has already sold 257 properties in the first 178 days of 2018. Despite some media reports of a declining market our buyer engagement remains strong, to date we have met a total of over 14,6600 buyers and have issued over 1,065 contracts. Our average days on market sits at only 21 compared to the Eastern suburbs average of 46 with our auction clearance rate of 93.7% well above the Sydney average of 66%. Why would you list with anyone else?
