The Superhero Walk is a month away and we hope everyone is getting excited!

We'd love you to get dressed as your favourite superhero and challenge yourself to walk 1 lap around Heffron Park. You can join the superheroes on Saturday 21 September between 12pm – 5pm or Sunday 22 September between 7am – 12pm.

Now's the perfect time to set up your team and start fundraising by asking your friends and family to support you.

Watch this video for a step by step guide in how to set up a team for the Superhero Walk: <https://youtu.be/hdcHN3HY7LA>

Did you see the video with Mr Ackerman and Harry Potter? Watch it here ;

<https://www.youtube.com/watch?v=OctxUyTDqPk&t=1s!>

Further information at www.superherowalk.com.au

In the last newsletter I indicated that this term was full of events. In this newsletter you can see the outcome of Book Week, Science Week and our continued efforts in getting ready for the Art Show.

We have the Life Education van coming in Week 7. This is a chance for all students to see Healthy Harold in the van. The lessons for Primary School focus on issues around food and nutrition, personal safety, physical activity and more.

Thank you to everyone who came and supported our Annual

Book Week

Parade this week. It was a fantastic event, led beautifully by Mr Speck. Well done to all our amazing students who love a good dress up and love books. There are more images on our Facebook page and our website.

Enjoy your week.

Matthew Ackerman

Principal

CALLING ALL SUPERHEROES!

The P&C invites you to join the Superhero Walk and help us raise \$24,000 to build a new playground.

One of our very own dads will be walking around Heffron Park for 24 hours, dressed as 24 different superheroes.

We're inviting our students and their families to come show your support and walk a lap dressed as your favourite Superhero.

Come dressed as one of the superheroes below or any superhero you want. All superheroes welcome, even superhero dogs!

SATURDAY 21 SEPTEMBER

- 12pm Star Wars*
- 1pm Moana
- 2pm Harry Potter*
- 3pm Miraculous*
- 4pm Frozen

SUNDAY 22 SEPTEMBER

- 7am Captain Marvel
- 8am Superman and Supergirl
- 9am The Incredibles*
- 10am Wonder Woman
- 11am Marvel Superheroes*

*Come dressed as any member of that Superhero franchise

Father's and Carer's Day BBQ

To celebrate and acknowledge the great work that our dad's, uncle's, grandfathers and carers do for our children, Maroubra Bay PS will again be hosting a BBQ on Friday 30 August, from 7.30am

The aim of the BBQ is to connect with all the male carers in the school, especially those who may not have time during the week to come up to school. We would love to see as many dad's and significant males as possible on this day.

This event is not, however, exclusively for dads. We welcome any parent or carer who would like to celebrate time with their child over a bacon and egg roll. There is also juice poppers and water available.

That's not all! Following the BBQ, we would like to welcome all dad's and carers to join their child from 9 -10am in their classroom, to partake in the busy morning routine, activities and fun-filled lessons.

We hope to see you there!

ART EXHIBITION

Maroubra Bay Public School

25th September

3.00pm-6.00pm

26th September

3.00pm-7.00pm

Art Show

Have you seen our banner for the art show! Ashton Cannell's painting of the tiger was chosen for the banner. How amazing is his painting!

Keep the 25th and 26th of September available, so you can come along and see amazing artwork from all the students at Maroubra Bay.

A Taste of what's to come.

KM students busy painting their letters for the art exhibition

Year 5 creating amazing Styrofoam sculptures. The finished products will be photographed and displayed at the art exhibition.

Semi Finals for 2019 Number Crunchers held at The Bay

Celebrating Academic Success at MBPS

Congratulations to the hot shot mathematicians from Stage 3 who represented our school at the 2019 Semi Finals Number Crunchers competition last week.

*Cooper DS and Arlen Q competed in the Number Crunchers section where they had to answer any maths question on the spot with only 10 seconds thinking time.

*Natalie M showed her Rubik's cube skills.

*Ben C was able to recite Pi to more than 100 decimal places.

A special mention to Arlen Q who has progressed through the Number Crunchers Grand Final next month to be held at Connells Point Public School. Good luck to Arlen for the finals.

Maroubra Bay PS was the host for this amazing event for the very first time and we were very privileged to be a part of an exciting and challenging mathematics competition. Number Crunchers began as an initiative of Sydney NSW Public Schools. Number Crunchers is an exciting and challenging mathematics competition for Stage 3 students. Students participating in Number Crunchers enjoy the challenge and thrill of performing mental mathematics to an audience and completing jumbled Rubik's cubes in lightning fast times. The Golden Pi Challenge sees the winner reciting Pi to the most decimal places. We witnessed the amazing mathematical skill of reciting Pi to 1000 decimal places from one of the local talents.

Good luck to these students for the finals.

The top number crunchers will be competing for the title of Grand Champion and Runner-up Champion.

V. Jovanovska

Calling all Performers, Jugglers, Dancers and Actor Extraordinaire's!!!

Exciting News about the Upcoming Talent Show

The Maroubra Bay SRC are excited to announce the most exciting event of the term!

On Wednesday 18th September we will be hosting a fantastic talent show to showcase the skills and amazing talents of the students of Maroubra Bay Public School.

Where: In the Hall

Entry Fee: \$2 per performer

Audience Fee: Gold coin donation

Sign Up sheets will be available in all classrooms in Week 7, be sure to register your group or solo performance details ASAP to avoid disappointment!

All proceeds will be used to purchase new sporting resources for all to enjoy.

We can't wait to see your amazing performances!

- Frankie and Julio 3C SRC

Tools for Transition

This week was our last session of Tools for Transition. It has been a great program. We have been learning about life values, such as gratitude, controlling our emotions, listening, caring for our bodies, resilience and respect. These lessons taught us some important life skills for times of changes and difficulties. During our sessions, we learnt the benefits of breathing skills and mindfulness. We enjoyed regulating our bodies leaving us calm and relaxed after each lessons. These skills will be useful to us in future because with practice, it will help us enjoy the pleasures of life and get through the tough times.

Written by Maya C and Beth H

Book Week

Book Week kicked off on Monday with a visit from the creators of the new book 'The Fruit that Loves Itself'. As the team toured all classes throughout the school, students learned about the process of creating a book, how to influence an audience with illustrations and the importance of self-appreciation and identity. Many thanks to the team for coming into our classrooms and providing such a unique and important experience in literacy.

The participation in this year's Book Week Parade was fantastic! Students and staff had a great time being dressed up all day as a book character. After lunch, parents and guests came to watch students parade in costume with their peers and celebrate the value of book characters in literacy.

Book Fair

The Book Fair will stay open before and after school until this Friday afternoon in the Library. Don't miss out on buying some great books and help support our school at the same time.

Science Week

Science Week 2019

Last week Maroubra Bay Public School took part in a range of Science tasks to celebrate National Science Week.

On Tuesday, 13th August, our senior students were lucky enough to be involved in a range of Science experiments. A group of 24, Year 9 enrichment students from South Sydney High school set up 10 different experiments whereby the students rotated around them for an hour session. All students involved thoroughly enjoyed the experience.

SCIENCE FAIR

On Wednesday, 13th August, grades K-4 worked on Stem based Science projects during the morning session with their classes. Projects were displayed at the Science fair in the hall for students and their families to enjoy. Year 5 and 6 created a virtual tour of the school eco garden. They showcased these in the hall at the fair for students to interact with. Links to these will be provided shortly.

Weather and Seasons

Weather:

In 1H we have been learning all about the weather and how it affects our daily lives. We have been closely observing and recording the changes in all elements including the temperature, sunshine, wind and rain.

We would like to share a weather report we have written together below:

Today's weather report by 1H

Today's weather report is partly cloudy with a chance of rain.

Today's temperature is 18 degrees.

It is quite a chilly day with light to moderate winds.

We highly recommend that you wear a jumper, long socks and a beanie.

Seasons:

We have also been learning about the different seasons of the year and the changes they make in our environment.

We would like to share some of our writing with you.

My favourite season is Summer. I love the long, hot days and I love the long holiday. I sometimes go to the beach with my family.

I like Autumn the best. I think the trees are very pretty when the leaves go red and brown and yellow and start falling off the trees.

I love Winter. I really like waking up in the morning and seeing the dew outside in the garden. My mum always lets us have a hot chocolate when it's really cold.

My favourite season is Spring. I like it because winter is finished and the evenings are light again. I don't like the dark evenings. I love the flowers in the parks and gardens and seeing the leaves grow on the trees.

We hope you enjoyed our update from 1H!

Aboriginal Education at Maroubra Bay

Kindergarten Uluru Sculptures

In Kindergarten, we have been exploring places and what makes a place special. We have been fortunate enough to work closely with Aunty Maxine who has been sharing her Aboriginal culture and how we can better integrate Aboriginal perspectives within our learning. Kindergarten have been creating their own Uluru sculptures and have used natural materials to do so. We look forward to seeing their finished products.

Indigenous Literacy Day

On Wednesday 4th September our school will be celebrating Indigenous Literacy Day. Indigenous Literacy Day is a national celebration of culture, stories, language and literacy. This day raises awareness of the disadvantages experienced in remote communities and advocates for more access to literacy resources.

To mark this day we are privileged to host a number of Aboriginal Elders. The Aboriginal Elders will re-tell dreamtime stories during the middle session 11.20am – 12.30pm.

We would love our community to come and join us.

Date:	Wednesday 4 th September 2019
Address of event:	Maroubra Bay Public School
Time	11.20am – 12.30pm
Dreamtime Stories Locations	
Kindergarten—KA & KW room	
Stage 1—Hall	
Stage 2—4H/4P room	
Stage 3—6B room	
From 12.30 – 1.00pm K-6 meet in the hall for a special presentation from Auntie Maxine.

The School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using metro, train, bus, ferry and light rail services you nominate in your application.

Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There is no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

Who needs to apply

A new application is only required if the student has not had a School Opal card before.

If the student already has a School Opal card and is changing schools, campuses or home address, you will need to update their Opal card for the new school year before mid-December at apps.transport.nsw.gov.au/ssts

How to apply

Applications for next year open at the start of Term 4 this year.

Step 1

Once the new school has confirmed your child's enrolment, complete the application at apps.transport.nsw.gov.au/ssts

Step 2

The school endorses your application.

Step 3

Once Transport for NSW has approved the application, a School Opal card will be sent to the address provided on the application.

A parent or guardian must apply for students 15 years and under. Students 16 years and over can apply for themselves.

Better together

The School Opal card is only for travel to and from school. So it's a good idea to get a Child/Youth Opal card for travel after hours, on weekends or during school holidays.

Child/Youth Opal card benefits

- Concession fares across the Opal network
- Half-price travel after eight paid journeys each week*
- \$1 transfer discount for every transfer between modes (metro/train, ferry, bus or light rail) as part of one journey within 60 minutes from the last tap off†
- Set auto top up and link it to your credit or debit card so there's always enough value on the card to travel.

Find out more at transportnsw.info/opal or pick one up from an Opal retailer. To find a retailer in your area visit transportnsw.info/opal-retailers

Secondary students aged 16 and over can travel with a Child/Youth Opal card when carrying a NSW/ACT Senior Secondary Student Concession Card, available from school offices.

* Excluding Sydney Airport station access fee.

† The Opal Transfer Discount doesn't apply when transferring between light rail and Sydney Ferries.

Privacy

For information on how we handle personal information please refer to the Opal Privacy Policy at transportnsw.info/tickets-opal/opal-opal-privacy-policy and the School Pass Terms at apps.transport.nsw.gov.au/ssts/term-and-conditions

Education

SUPERHEROWALK.COM.AU

The Superhero Walk would like to offer you the opportunity to support your local Maroubra community. For a minimum donation of \$300 which goes directly to **Maroubra Bay Public School**, your local business can exclusively sponsor your favourite superhero hour.

In return, Tasman from the Superhero Walk will visit your business dressed as the Superhero you've sponsored and **film a short video** where you'll have the opportunity to let the Maroubra and wider Sth East community know how awesome your local business is!

The Superhero Walk will share the video to our social media channels (#superherowalk) and you can share the post to your channels **creating engaging, fun and localised content**.

Your local business will also receive:

- **Logo** placement and recognition on Superhero Walk's website and fundraising pages
- **Logo** placement on content and communications sent to parents of MBPS
- An opportunity for your local business to **place a banner** at the start and finish of the Superhero Walk during your sponsored hour
- A **Superhero Walk post** during your sponsored hour thanking you for your support
