## Newsletter T4 W10

Wednesday 16 December 2020

### 2020 - Reflection

2020 has shown us many things - the need to be agile and pivot quickly from one activity to another and how resilient our students can be are two things that quickly spring to mind.

This year our teachers have been amazing at reinventing the way lessons are delivered across classrooms and homes. In the space of a few days our staff were able to configure online resources, shoot demonstration videos, host online platforms for work sharing and connect with every student and family through online and phone check ins. An absolutely amazing effort and I can't thank our teachers enough for the care and dedication they showed in 2020.

The leadership team has been strong in their initiatives and attention to detail with all these changes. We have all learnt the importance of maintaining connections with students and families, discovering new ways of delivering content and still maintaining a focus on our core business of literacy and numeracy.

Our parents and carers have responded with even stronger support of our school. Despite not coming in through our gates, the support has been overwhelming at times. Families learning new ways of coping and saying goodbyes at the gates, staggered pickups and many phone meetings was the normal in 2020. We will be reflecting on our strategies in 2021 and hopefully be seeing more of our community on site when school returns.

Our students have shown their true qualities in 2020. Disappointed of course that they could not attend camps or excursions, they instead focused on ensuring each day at school was a success and a positive one. The many mufti days, Halloween, Book

Week, Paper Plane, Fairy Tale, NAIDOC and Education Week experiences were all extremely well supported. Thank you to our families for assisting in the success of these days. Almost all students wanted to return the next day, which is a testament to the success of our programs in 2020.

I do say almost all students because I acknowledge that 2020 has been a challenge for many families and staff. We hope that, with continued support, we can continue to be a safe and positive place for all.

On a personal note, thank you to everyone who has supported me this year. A few words out the front of the school, a conversation with a student or a chat with a staff member - they all mean so much and are needed sometimes more than you know.

2020 has been a remarkable year, yes plenty of challenges and costs but some remarkable outcomes as well. The human spirit and sense of community is alive and well at Maroubra Bay.

As happens each year, a number of staff leave us at the end of the year for a variety of family, personal and other reasons. We thank them for all their work in making Maroubra Bay a great place of learning and wish them all the best. In 2021 we will be welcoming a number of new staff, including 3 new permanent staff members. More details to come early next year.

Please enjoy your summer break with family and friends and I look forward to catching up again at the end of January. Look out for a newsletter after Australia Day with 2021 organisation.

***Matthew Ackerman***

Principal

**Why kids & parents love Code Camp!**

Rated 4.9 on ProductReview.com.au with over 400 5-star reviews!

"Was tentative to do it at first, but after the first day was absolutely in love with code camp. Insisted on wearing hat and t-shirt for the next 2 days. Post-camp, he has continued to build on his game and now shares it with his school friends and family."

Stuart, Victoria  
 ★★★★★

"My daughter loved her code camp and will be back for more... The experience was great, teachers were fantastic and the follow up emails with more activities has been unbelievable..."

Katie, Queensland  
 ★★★★★

"The end result is far and away the best programming teaching environment I have ever seen. Seriously now my primary school child can program in JavaScript."

Jeffrey, Western Australia  
 ★★★★★
