Parent Interviews

This week many parents and carers have spoken to their teachers over the phone about their child. Whilst this is a change from our usual face to face interviews, I have heard many positive comments from both parents and teachers. Moving forward, we are considering making this an option for parents in the future for those that don't have the time to come into the school.

Thank you to all those parents and carers who have been able to have a discussion with their teacher, a reminder to any that have not yet booked an interview to please call the office on 9349 1569 and arrange a suitable time.

Assemblies

Assemblies return to our school this week. K-2 will have grade assemblies, whilst the older grades will combine to have Years 3/4 and Years 5/6. They will all occur on Friday mornings and will be led by our Year 6 leadership team each week. Each assembly will focus on our core values and bronze awards, messages of the week, work displayed from a class or a new song or dance.

Due to Department restrictions, they can only be 15 minutes in duration this term and no external visitors are allowed.

Whilst only a small thing, having assemblies return is a move in the right direction.

Permission Forms

In term 3 a number of great activities have been booked for all of our students, some just for particular grades and some for the whole school.

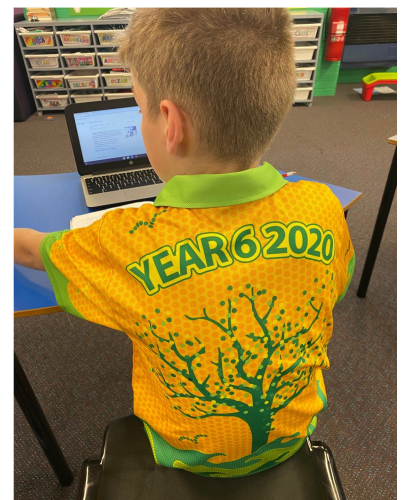

These events all seek permission from parents and carers. As a school we want all students to participate in these activities so please keep a look out for any notes and ensure they are signed and returned by the due date.

Any families seeking financial assistance should ring the office and ask to talk to the Principal. We are here to help families during these challenging times.

Communication Platforms

As we have a number of platforms currently running, here is a brief outline of each one's purpose with a link in each heading.

[Skoolbag](#) - our K-6 school messaging system containing a calendar of events, updates and newsletters for all parents. Can be used to send absence notes.

[School Website](#) - Departmental information including enrolment procedures, links to policies, school newsletters and some news items.

[School email](#) - used to let the school know anything important such as absences and holidays as well as ask questions of staff.

[Sentral Parent Portal](#) - allows parents access to student reports, attendance information of their child and used to book parent / teacher interviews.

[Class DoJo](#) - images, home learning and reminders relevant to each class. Each class has its own information. Builds a little community within each class.

[Facebook / Instagram](#) - used to publish positive images of our school learning and reminders of events. Publicly available.

[Google Classroom](#) - for student learning only. Parents and carers should not rely on Google Classroom for information, it is for students in Years 2-6 only.

This may seem like a lot, however you don't have to have all of them to stay in touch with our school.

If you have any questions or concerns about any of these platforms listed please contact the school office using the school email or phone 9349 1569.

Check-in Assessments for Years 3 and 5

The 'Check-in assessment' is an optional online reading and numeracy assessment for students in Years 3, 5 and 9. Maroubra Bay PS has "opted-in" to participate in these assessments. The Check-in assessment will supplement our existing school practices to identify how students are performing in literacy and numeracy. This will assist our teachers to tailor their teaching more specifically to student needs.

The check-in assessments will be available for students to co during the following timesplete:

- Year 5 students: Term 3, Weeks 7 (31 August to 4 September 2020)
- Year 3 students: Term 4 Week 2 (19 October to 23 October 2020)

Students will participate in :

- reading assessment
- numeracy assessment

Each assessment is consisting of approximately 40 multiple choice questions.

Further information can be provided by contacting Mrs Jovanovska

In Stage 3 we also had the opportunity to tune into an aboriginal language lesson on Tuesday and take a virtual tour of Kurnell and engage with a wide range of stories and learning activities about the Endeavour – Eight Days in Kamay.

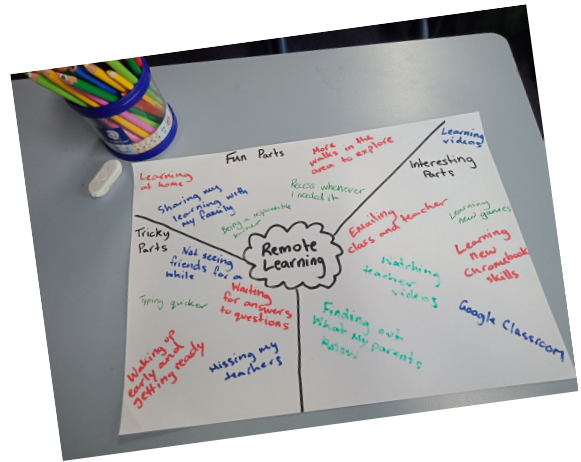

Education Week was extremely fun this year as we had so many activities to join in virtually. On Wednesday we got dressed up and had a photoshoot on the red carpet before getting the chance to watch a bunch of movies created by other schools and vote for our favourite! The red-carpet photos were great as we had top hats, bow ties and more really cool props to take our photos with.

Tyrome, Oscar, Robert

In Stage 2 we loved the opportunities to come together for virtual lessons and activities with the rest of the kids in year 3 and 4. We particularly enjoyed The Great Illusionist show streamed from the Sydney Opera House, and of course the Red Carpet mufti day!

Shaun Tan Author Talk - "Shaun Tan has written interesting books with interesting characters and it was great hearing how he created them." - Lara P Year 4.

In year 1 and 2 we got to watch the movies and see Zooniverse real life photos of penguins in Antarctica to see what they do during the day and night and compare them to pets. - 2D

We also loved using the new AECG Languages app to learn the traditional words. "We looked up how to say wombat" - Amelia. "It's so much fun!" - Alaray.

In Kindergarten we worked together to create a beautiful artwork, walked the red carpet, and tuned in to watch 'Film by... Invitation' the Department of Education's film festival. It was a very exciting week! - KA, KM, and KS.
