## Term 4

Welcome to Term 4, we look forward to welcoming all of our students back to school over the coming weeks.

Please read the following information carefully so you know what to expect in term 4.

The calendar on page 2 will have all the information families need to know for term 4.

## Staggered return

Staff will be using the attached calendar to plan their term of teaching. Class teachers will continue to work from home and utilise zoom, Google Classroom and Class DoJo to teach classes until the staggered return to school starts. We appreciate the support of our community during this time. Wherever possible, students should remain at home until they are scheduled to return. Any student that has to come to school before these dates will continue to be supervised by other staff members as per term 3.

## Parents onsite

A reminder that non-essential visitors are not allowed onsite during Level 4 learning. This means parents and carers will still drop off students at Gate 2 and pick up students from Gate 1 and 2 as appropriate.

Any parent or carer wishing to come onsite should buzz the school office or ring the office on 9349 1569.

## Mask Wearing

All staff onsite are required to wear a mask at all times indoors and outdoors, unless they are in an office by themselves.

There is no requirement for students to wear a mask at school, however they can if they wish.

## Vaccinations

A new Public Health Order requires all people working at a school to be vaccinated. Families should feel reassured that all school staff working at Maroubra Bay are vaccinated.

## Kinder 2022

Do you know anyone in our local area turning 5 in 2022 that has not yet enrolled? We currently only have two classes enrolled for Kinder next year, but we know there are more pre-schoolers out there.

Please check out our website <https://maroubra-p.schools.nsw.gov.au/news/2021/8/kindergarten-2022.html> for more information or email Heidi at [heidi.hutchison1@det.nsw.edu.au](mailto:heidi.hutchison1@det.nsw.edu.au) if you have any questions.
