A great return!

Thank you to all our Kindergarten and Year One families for their support of the students return to school this week. It has been a fantastic return to face to face teaching. Our staff have been so impressed with how settled and happy the students have been in class and on the playground.

Our thanks to all our community for their support. We have had many positive comments about how the return has gone and, although there are a lot of tired students at the end of this week, it definitely has been a success.

The different start and finish times, different breaks and separate playgrounds have all worked well and will be continued for the remainder of this year. More details on these changes are listed in this newsletter.

Year 2-6 starting Monday

All our staff are looking forward to the return on Monday 25 October for the rest of the school.

Year 2 students should ensure they come through the top Gate 1 and join in with Kindergarten and Year 1.

All students in Years 3-6 should come through the main Gate 2 and play in the COLA until the bell goes at 9am.

A reminder that students are encouraged to wear a mask whilst in the classrooms. All classes have a focus on ventilation with windows open, fans on and air conditioning used if appropriate. All classes are also encouraged to support outdoor learning activities this term.

Extra Support

For the remainder of the term, we have employed extra teachers to support the return to school. These teachers will be working across the school in supporting our class teachers. This could be working with small groups or team teaching.

We welcome Miss O'Donnell in the K-2 area and Mrs Vucetic who will be working with 3-6 students.

Canteen

A reminder that the school Canteen will be reopening next week and be operating from Wednesday's to Friday's as per pre lockdown.

A notice with the menu has been sent home through Skoolbag.

We can't wait to see all of our 425 students coming back to school next week. Families should be in discussion with the class teacher if any student is not returning to school.

Kiss and Go

Kiss and Go has now returned. Students participating in Kiss and Go should discuss this with their teacher and be allowed to leave at 2.55pm. Students need to meet the teacher on duty at the main gate and wait for directions before entering cars.

Parents and carers can assist this process by;

- Forming one line of cars out the front of Gate 2, if the line is full then parents must keep driving and drive around the block
- Allowing students to safely enter the car as quickly as possible, put their seat belt on and then parents are to leave as soon as possible. Parents should not leave the car at any stage

We appreciate that it might take a few weeks for our community and students to get this system right so please be patient and support each other.

Please listen to the directives given by the executive member on duty, these directives are for the safety of the students.

Mask Wearing

All staff onsite are required to wear a mask at all times indoors, unless they are in an office by themselves.

There is no requirement for students to wear a mask at school, however they can if they wish. Our staff will support any family who makes this decision.

Vaccinations

All staff onsite at Maroubra Bay are now fully vaccinated. There is a small number of staff who are still completing their second vaccinations and they will return when fully vaccinated, we thank the community for their patience.

Parents onsite

Parents and carers cannot come onto school grounds to drop off or pick up their child. Please remain outside the school gates and keep physically distanced.

Any parent or carer wishing to come onsite should buzz the school office or ring the office on 9349 1569.

Term 4 school day

Having separated our students into K-2 and 3-6, it can be confusing to keep track of the changes. We hope this helps.

Recess and Lunch for 3-6 is COLA and Oval.

All students can visit the main toilet block and the Canteen during their breaks.

Works at school

An update on our building and other works;

- Operable walls in Kindergarten and Year 3 scheduled for mid November completion
- Top playground upgrade - no news. Scheduled for completion by middle of 2022.
- A Block and Hall colourbond roof upgrade - approved but no date on completion
- Tree audit 2022 - annual tree audit has been completed and workers engaged for any maintenance to occur.
- Demountable for 2022 - approved by the Department of Education to be installed by the start of the school year 2022. Location to be confirmed but will likely be at the end of the driveway in the corner of the oval. Very little oval space will be lost with this placement.

Chess classes @ Maroubra Bay Public School - Term 4, 2021

Due to the current COVID lockdown, we will be conducting our chess class online. When restrictions are lifted and children return to school, we intend to return for face to face coaching as soon as we are given the green light by the school. Our online chess classes will be held before and after school Monday – Friday from 8:00am–9:00am, 3:15pm–4:15pm, 4:30pm–5:30pm and 5:00pm–6:00pm. Your child can attend as many of these online classes as he/she wishes until we

return to face to face lessons. See the link on this page for more details:
