Staffing News

At the end of 2021 we will say farewell to a number of staff. We thank all these members of staff for their contributions to Maroubra Bay, particularly those that have given many years of service to our community. We wish them continued success.

In 2021 we say farewell to;

- Mrs Despina Cassimatis, who will take up a position in the religious education sector
- Miss Kahlia Pycroft, who is travelling and working overseas with her partner
- Miss Stephie Latchan, who is also travelling and working overseas with her partner
- Mrs Kathleen Vouros, who is extending her skills by teaching at a neighbouring school

In addition, Mr Speck has announced he is taking a year's leave to travel overseas with family. Miss Brodska will step into the Teacher Librarian / Technology Coordinator role next year.

In 2022 we welcome to the school;

- Miss Alexandra Way who was successful in gaining a substantive Assistant Principal position from Artarmon PS
- Miss Emily Matthews, an early career teacher from Rozelle PS
- Miss Patience Clutton, an early career teacher from Bellevue Hill PS
- Mrs Dimi Gerontakos, an experienced teacher who worked with us in 2021

There will be more 2022 staffing announcements at the beginning of next year.

I hope everyone gets a chance to recharge over the break with family and friends.

Please note the school email will be monitored over the holiday period. Any enquiries or questions should be directed to the school email and not directly to staff over the break. Thank you for your consideration.

My Thanks

What a year it has been. We certainly could not have achieved what we have without a concerted effort between all our parents and staff. The bonds between families and school have only strengthened this year and I thank all the community for their support during what has been a very challenging year.

Whilst having an extended period of home learning was a challenge in itself, I think the recent Covid cases in the community really made everyone dig deep and work together. Without wanting to single out individuals, I have to acknowledge the work of the school admin team during the past few weeks. The office sounded more like a medical centre and we have all become experts in isolation periods and rapid testing. My sincere thanks to Robyn, Dario and Kym for all their support during this Covid period.
