Newsletter T4 W5

Thursday 10 November 2022

Friday 11 November

We have a busy day this Friday and our community is warmly invited to these events.

- ☐ Kindergarten 2023 Transition 1 from 9.15am to 10.40am in the Kindergarten classrooms
- ☐ Remembrance Day assembly at 10.40am in the Hall
- ☐ K-2 Assembly hosted by KM at 2.10pm in the Hall

End of Year activities

We are looking forward to our end of year activities. After another challenging year in many ways, our school has planned many positive and inclusive events to finish the year in a good place.

Of particular mention is the Year 6 Fun Day, this year being held at Luna Park for the first time. I know the students and staff are looking forward to this event. This activity is paid for by the student's fundraising efforts last week.

Secondly, a whole school picnic day has been organised. This involves a picnic at school and a trip to the movies at Eastgardens for all students. A great way to finish the year.

Please see the poster in this newsletter for more details of the other events.

Behaviour Focus

Each fortnight this term, aligned with our assemblies, classes will be focusing on a particular element of our PBL (positive behaviour for learning) system.

For weeks 6 and 7 the focus will be on;

CARE

- ☐ Caring for yourself and others
- ☐ Including and accepting others

Whilst we focus on these areas in the classroom and in the playground, it would be great if you could talk to your child about these areas as well. Thank you for your support.

Where are you in 2023?

We are starting our class planning for 2023. If your family is NOT attending our school next year can you please email the school at maroubra-p.school@det.nsw.edu.au

Matthew Ackerman

Principal

Our school is proudly supported by

PHILLIPS PANTZER DONNELLEY

Crazy Hair and Sock Day

On Wednesday 16th November the Student Representative Council (SRC) will be holding a fundraiser for McHappy Day. In conjunction with our local McDonald's at Maroubra Junction, students at Maroubra Bay are invited to participate in a crazy hair and crazy sock day in return for a gold coin donation.

All proceeds go towards raising much needed funds for the Ronald McDonald House Charities in support of seriously ill children and their families.

Students are reminded to wear their normal school uniform, with the addition of crazy socks and/or hair.

League Tag Gala Day

On Tuesday 8th November, 41 Maroubra Bay students across Years 4, 5 and 6 attended the NRL League Tag Gala Day competition at Booralee Park, Botany.

The sun was shining and we had 3 outstanding teams playing 4 games each in a round robin style event.

Local primary schools from all over the Eastern Suburbs were in attendance and Maroubra Bay did not disappoint.

Our Junior Mixed team only lost 1 of their 4 games, with standout performances from Anthony, a key playmaker for the Junior Team.

For our Senior Girls team, many had never played League Tag but learnt quickly and were able to win 2 of their 4 games.

Our Senior Mixed team were a force to be reckoned with, winning 3 of 4 of their games against a strong competition.

Frankie was the first to cross the line for the seniors, setting up what would continue to be a thrilling day. Special mention to Josh, a talented playmaker who's skills assisted the team to 3 out of 4 victories.

It was a great day and we are exceptionally proud of our students who attended for not only their sporting achievements, but their sportsmanship in both wins and losses.

We look forward to attending next year!

Mrs. Maguire & Mr. Lucas

What do I do if my child has told me about issues with behaviour at school?

Children can display difficult behaviour at times as a normal part of growing up. Your child may have been impacted by the behaviour of others or have behaved in a way that impacted other people at school.

These behaviours can be very distressing to other children, parents and teachers – but they will also likely to distress the child behaving this way, and their family.

No child acts out for no reason, and schools are well-equipped to work with children and their families around behaviour.

You can ask to speak to your child's teacher, Learning and Support coordinator or leadership team if you have questions about their behaviour or the behaviour of another student.

If behaviour is an ongoing issue for your child, our school may suggest an individualised support plan to help support them. Our school should build this in partnership with you, and it should outline things you, your child and the school can do to help your child.

Matthew Ackerman

Principal

School Travel

Term 4 2022

2023 school travel applications are now open

Applications for student travel in 2023 open from **Monday 10 October 2022**.

Students who need a School Opal card or travel pass for 2023 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications, and entitlements remain valid for the start of the 2023 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2023.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Travel from Term 1 2023

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2023 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

MAROUBRA BAY TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

Welcome back families! These past 2 weeks have been filled with REMARKABLE experiences and activities. The children have been able to express their fine motor skills with creating craft models from fine materials such as pipe cleaners and paddle pop sticks. They love a challenge!

Our active experiences have focused on the positive and constructive feedback from the children through the continuous daily observations. The fan favourite experiences have been Red Rover, soccer, cricket and Totem tennis tournaments! All focusing on developing the children's gross motor skills, team-building and decision making.

We're continuing our adventure on the "Fantabulous" End of term party. The theme is picked, the invitations are being created and we are so excited to show our result! Stay tuned!

We would like to remind all families about the TeamKids policy "No Hat, No Outdoor Play" in Term 4. As the weather is warming up and the UV is above 3, we are encouraging children to pack an extra hat in their school bag or keep at hat at TeamKids! This will ensure that all kids have an opportunity to play outside in the sunshine and follow the school's policy of leaving their school hat in their classrooms.

As we say at TeamKids 'Let the fun begin!'

JJ Cahill Memorial High School presents:

High Potential and Gifted Education Program Year 7 2024

In 2024, JJ Cahill Memorial High School will provide an holistic and inclusive enrichment program that will focus on challenging young minds and turning interests and passions into skills and knowledge. The enrichment class will be an opportunity for Year 7 students to access highly skilled teachers, be supported through individualised gifted education plans and experience bespoke teaching and learning programs in Mathematics, Humanities, Science and Technology, and English. Placement in the enrichment program for 2024 will be based on multiple entry requirements that consider academic abilities, school attendance and social-emotional intelligence. For more information, please attend our:

A Bright And Spacious Freestanding Home On A Sunny Level 498sqm With A Future Upside

With its picture-perfect frontage and newly refurbished interiors, this freestanding double-brick bungalow is perfectly configured for family living with a spacious four-bedroom layout and easy flow from front to back. Light and airy interiors are dressed in fresh contemporary tones with high ceilings and big windows with a child-friendly backyard that's perfect for entertaining and a wide side drive to a double lock-up garage. Available for the first time in 54 years, this much-loved and impeccably presented home is set in a family friendly neighbourhood around the corner from Maroubra Junction Public School and a level 700m walk to the International French School. Ready to move straight in, there's so much potential here too with scope to add a second storey in line with neighbouring homes (STCA). Set on a sunny level 498sqm approx block, the double-fronted home offers a lifestyle of easy convenience a 750m walk to Pacific Square's retail precinct and 800m to South Coogee Bowling Club and Latham Park with close proximity to Maroubra Beach and Randwick town centre.

- Single-storey layout, 12m frontage
- Lovely front garden, classic verandah
- Central hallway, new hybrid flooring
- 4 double bedrooms, 2 with built-ins
- Fluid layout, spacious living and dining
- Dine-in gas kitchen bathed in sunshine
- Double lock-up garage and a carport
- Potential to add a 2nd storey STCA
- 50m to the bus to Bondi Junction
- Community minded neighbourhood
- Level 500m to Central Park Playground
- 2km to the beach and hospital precinct
