Dance Concert

What an amazing concert! I hope the 700 audience members enjoyed the show as much as the students enjoyed the performances.

My sincere thanks to the team at DanceSport Confidence for once again putting on such an amazing show. The dance teachers this year were absolutely incredible.

My thanks also to the fantastic staff at Maroubra Bay. It has been a long build up of rehearsals, organisation of costumes and putting the show together. Wednesday was such a long day and the staff only had a small break before the show. I know there were a lot of tired staff on Thursday..... We couldn't do these shows without the staff giving up their time and going above and beyond so thank you! Special thanks to Mrs Micallef for coordinating the concert from the school end, an amazing effort.

The images of the concert are available to download. Please see the instructions on Skoolbag and also later in this newsletter.

Father's and Carer's Day Breakfast

What a fantastic morning we had on Friday the 2nd of September celebrating Father's and Carer's Day. It was a fantastic turn out as students arrived with their loved ones. There was delicious bacon, egg and sausage rolls, juices as well as coffees. It was lovely to see so many parents and carers enjoying a morning filled with bliss and joy.

After the breakfast our families were invited into the classrooms to join in on their child's learning. This included activities such as literacy rotations, as well as Father's and Carer's Day crafts and questionnaires.

We hope you enjoyed the morning and had a lovely and relaxing Father's and Carers Day!

Update from the SRC

Maroubra Bay Public School SRC students were invited by Randwick City Council to make an art contribution to Coral Sea Park. SRC students have spent their lunches over the past weeks painting tree stump logs to represent our school and community. These logs are being collected and will be placed in the garden beds at Coral Sea Park. Thank you to all of our SRC students for working on this community project over the past term. Make sure to check them out next time you are at the park.

Regional Athletics Carnival

Congratulations to Davi Valle Dos Santos, Havana Chappell, Josh Taukafa and Jack Gibson who recently competed at the Regional Athletics Carnival at Homebush. This is a huge achievement and we are very proud of all of you. Our amazing athletes competed in the following events:

Davi Valle Dos Santos	800m
Josh Taukafa	Shot Put
Havana Chappell	100m
Jack Gibson	High Jump

Dance Concert Images

With thanks to the generosity of EI from <http://www.elearlphotography.com/> we are pleased to announce that the images from the dance concert are now available for families to download for free.

To download your images;

1. Go to <https://elearlphotography.pixieset.com/maroubraconcert/>
2. View Gallery
3. Select an image you wish to download and click on the heart icon in the top right of large image or bottom right of small image (you will need to sign in with an email address the first time)
4. Repeat the process for any image you wish

5. On the gallery home page the heart logo will have a green circle. Click on that heart and go to your Favourites
6. By clicking on your Favourites you can then download all images. You will need your email address again as well as the pin **8886**. You can choose High Resolution or Web Size as well as where to download the images.

If you have any questions about this process please email the school
maroubra-p.school@det.nsw.edu.au

Our thanks again to EI and <http://www.elearlphotography.com/> It is amazing to have the support of our local families and businesses. Please support them as they support us.

Come teach ethics at Maroubra Bay Public School

We are building an ethics program at Maroubra Bay Public School with lessons delivered by Primary Ethics volunteers.

In ethics, students explore everyday issues suitable for their age. They learn to listen closely to each other, to disagree without putdowns and to think carefully as they form their opinions.

We have children on waitlists in Kindy and Year 3 and want to give them the opportunity to take part in ethics. To do that we need more volunteers to teach.

You can teach ethics if:

- You're interested in what children think and you have an interest in learning
- You're willing to learn how to use our lesson scripts to ask children ethical questions
- You can remain neutral and give the children space to think
- You're available each school week for half an hour between 2:00 and 3:00 pm on Tuesdays— you'll need about an hour each week to prepare and give the scripted lesson
- You complete our free training and pass background checks.

Primary Ethics provides free, comprehensive training with online self-paced learning plus trainer-led workshops (by Zoom or face-to-face).

We are also calling for an ethics coordinator-

The ethics coordinator communicates with school staff, supports ethics teachers and liaises with Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the program.

This role provides a great opportunity for a working parent who might be unable to volunteer during school hours and is a rewarding way to engage with the school community. Times are flexible, requiring approximately 1-2 hours per week. Online training is provided.

You will join a great community of Primary Ethics volunteers – at Maroubra Bay Public School and across NSW.

You'll have the rewarding opportunity of listening to the fantastic students at our school and helping them grow. You'll develop new skills yourself – facilitation skills, plus skills in communication and active listening.

WHAT'S BEEN HAPPENING

Hello TK families!

With a click of the finger, Term 3 is done! What a remarkable term it has been, we couldn't have done it without the support from the families, thank you! We have been apart of some amazing community events such as the father's day stalls, book week activities and the big dance concert! Our clubs have been incredible, observing and assisting all the children in creating and developing their models in lego club and art attack, get messy with cooking club and burn the energy in the sports clubs!

I would like to introduce all families to another member of the leadership team, Adam! Adam has a big love for sports, especially Tennis and soccer, the children ask to verse him everyday in soccer! Adam is very passionate about teaching children new skills and supporting them to reach their potential! Please come in and visit Adam!

Next Tuesday we will be celebrating what a fantastic term it has with an end of term party! Please make sure your booking is up to date if your child would like to attend!

Please be advised that to construction works being conducted at the school during the upcoming school holidays, Team Kids will not be able to operate a vacation care program at Maroubra on the following days: 26th, 27th, 28th, 29th and 30th of September. Should you wish to book your child into an alternative Team Kids program you can do so via our website. Please feel free to contact the service if you have any further questions.

Have a great last week of term!
